

Prayer Circle

Prayer is absolutely crucial in everything that we do, so it is wonderful to announce Knox's prayer circle. If you have any concerns that you feel would benefit from prayer please tell Isobel Bell and she will pass the message on to the prayer circle and the issue or event will be prayed for. If any elder is made aware of situations within their district that require prayer please let Isobel know. If you would like to join the prayer circle again speak to Isobel.
