

Toddlers@Knox's
St. Vigeans & Knox's Churches
Newsletter October 2011

How time flies, it seems like only last week we were returning after 'the summer' and now it is October. The toddlers seem to have enjoyed this first session but please let Gail, Lesley or Nicola know if you have any ideas that your toddler would like us to try. Toddlers is part of the church but it is owned and run by parent/carers for their toddlers. It would be good if a few people would like to join the office bearers to form a committee. We do not plan to have many meetings so it shouldn't be too time consuming.

Thank you to everyone who has helped in the kitchen, it is much appreciated, there are a few spaces on the rota you still can. Another thank you to those parents/carers that are able to help set up toys and tidy away at the end. We appreciate your help. Don't worry if you are unable to help at the beginning or end due to drop offs or pick ups there are lots of other ways to help out during toddlers such as clearing tables before and after

snack etc.

Security is always a priority at toddlers and we would encourage all adults to try and make sure that all doors are closed behind them to reduce the chance of little fingers getting hurt and prevent escapees. If possible it would be good to try and

keep the outside gate closed too so that if we did have an escapee they would be prevented from making too quick a getaway

Shoebox Appeal

If you would like to send a Christmas shoe box to Eastern Europe & other places they need to be ready for 4th November, for leaflets on box contents see Lesley.

Toy Sale

Toddlers are holding a toy sale and coffee morning on 22nd October 10am - 11.30am in the hall. We hope to raise some funds for the church as we currently do not pay anything towards heating or light costs. We need people to volunteer to come along and work either in the kitchen or on the stall for 30 minutes each. In this way we can all help but still spend time with our families. All donations

If you have been somewhere and have received great service or you have seen something that other families would enjoy let us know and we will pass the info onto the rest of the parent/carers.
